

Weekly Themes

Week 1: July 10-14: **SPY KIDS**

Your mission, should you choose to accept it, is to have fun! This week we will prepare you for future covert operations in our **Spy School Obstacle Course!** Secret codes, mystery messages and all of the usual suspects will be there!

Week 2: July 17-21:

Fantastic Beasts

Join us on a hunt for all things magical and mystical. We will use our imaginations and creativity to design Magic Wands, Plimpy Puppets, A Book of Monsters, and much more. **Rainforest Reptile Shows will be joining us with a Fascinating Frogs show you will not want to miss!**

Week 3: July 24-28:

What makes ordinary bubbles into jumbo bubbles? How does a Hydro Blaster work? We will make gooey slime and do hands on activities to safely explore this fun topic using ordinary ingredients. **The Museum of Science will be joining us this week for a Science Magic show.**

Week 4: July 31-August 4:

Well, How-dy partner! Come on down while we change our Summer Adventure program into a full blown Wild West Jamboree! **We will enjoy a special visit from the Toe Jam Band who will be throwing a country square dancin' party!**

Week 5: August 7-11:

Be our guest for a jam packed week of Disney magic! This week we will incorporate Disney favorites into our activities, crafts, and games to infinity and beyond. **We will have our very own "Bounce" Castle!**

Program Information

Special event dates are subject to change depending on the availability of vendor and/or presenter.

The program accommodates as many families as possible; however, slots are filled on a first-come, first-served basis. Solutions maintains a small student-to-staff ratio; available space dictates program size.

Our indoor facility is air-conditioned.
